

American Airlines Gift Cards Terms And Conditions

Redeeming Gift Cards

Gift cards are redeemable toward the initial electronic ticket purchase of air travel wholly on flights operated by American Airlines and American Eagle® carriers for itineraries sold and originating in the U.S., Puerto Rico and U.S. Virgin Islands. AA Gift Cards are also available for payment of air travel on any oneworld® partner codeshare flights designated in flight listings as AA*, which includes US Airways operated flights. For a complete list of American Airlines codeshare partners as well as other codeshare information, visit www.aa.com/codeshare. They cannot be used for payment of air travel on any other airline. Flights sold or originating outside the U.S., Puerto Rico or U.S. Virgin Islands or operated by other carriers are not eligible.

Gift cards are redeemable online at www.aa.com or by calling American Airlines Reservations. Gift cards cannot be redeemed at airport ticket counters or travel agents. Transactions through American Airlines Reservations are subject to an additional charge which must be paid separately by credit, debit or charge card.

Up to eight Gift Cards may be redeemed in a single transaction or purchase.

If the ticket price is greater than the value of the Gift Card(s), the difference may be paid only with a credit, debit or charge

card with a billing address in the U.S., Puerto Rico or U.S. Virgin Islands. If the ticket price is less than the value of the Gift Card(s), the unused portion will remain on the gift card until it is decreased to zero, at which time the Gift Card will be deactivated.

Gift cards are redeemable toward the purchase of the base air fare and directly associated taxes, fees and charges that are collected as part of the fare calculation. Gift cards may not be used for products and/or services that are sold separately, such as upgrades; Admirals Club membership enrollments or One-Day Passes; baggage fees; pet fees; unaccompanied minor fees; oxygen fees; Preferred Seats charges; ticketing fees for transactions processed through American Airlines Reservations; taxes, fees or charges payable in connection with AAdvantage® award travel; American Airlines VacationsSM or non-flight products and/or services sold by American Airlines.

Gift cards will not be accepted if the card number is invalid, has not been activated, or cannot be found within the American Airlines system.
